## **and.id's biography**

written by andreas dimitradis

andreas dimitriadis alias and.id is from thessaloniki , greece. from his childhood he has been studying music, as he played keyboards and the trumpet in a freestyle band. with strong influences from early hip hop he became keen with electronic production at the beginning of 2000. with his ep "less is more", andreas turned out to be one of the surprise acts on ware in 2005 as his record hit the nerve of the reinvigorated minimal movement. no wonder, and.id masterfully combines off-the-cough minimal beats and basic elements with wonderful harmonies, melodies and a very distinct touch of melancholy with full of surprises. being a member of the non team, he joined the red bull music academy in cape town. so far he performed many times either as a dj or live act, with various appearances in clubs & festivals such as the reworks, music & technology forum, athenas synch festival and barcelonas sonar 2005 .
