

## **ben businovski's biography**

written by ben businovski

born in the australian steel city of wollongong, ben's parents were immigrants from the former yugoslavia. his uncle was the late miroslav businovski, a virtuoso clarinist in the yugoslavian and later macedonian philharmonic orchestra. ben studied classical piano and musical theory at the sydney music conservatorium, but spent more time trying to emulate georgio moroder on his yamaha psr-75. his uncle must be turning in his grave to know that the only thing ben amounted to was a techno producer, but ben wouldn't have it any other way. ben has always been keen on collaborative work, and has worked with esteemed artists such as justin berkovi, sven dedek, hong kong counterfeit and tony dax. his discography includes signings to several leading european techno labels, including the licensing of a track to universal records in the netherlands. ben has been living in south korea for the last 3 years, and in that time has been working on a detroit inspired live pa. finally; he is ready to bring his music to the world. he returned to australia in 2007; only to begin planning his next move in what has always been an itinerant life.
